As Executive Producer of this event, I would like to invite you to participate in one of the world's most prestigious Martial Arts Tournaments. This tournament has grown in the past few years into the largest event of its type in the World. Truly an International event with more countries represented than any where else. I thank all the workers but most of all you the competitors, school owners, coaches and Instructors. For you are truly the ones who make this event so well received through out the Martial Arts community? For Martial Artists of all styles, being number one is becoming the next International Champion.
