SCORING SYSTEM & TIME

Brown Belt and Under – All non-sparring divisions (kata, weapon, etc.) score will be 8.00 to 9.00 (3 minutes). If 5 Officials are used, single decimal tenth intervals system shall be used. Example: 8.1, 7.3, 8.4. When 3 Officials are used double decimals hundredth intervals must be used rather than tenths. Using hundredth intervals allows officials 100 actual decimal points to use in scoring. This will reduce the possibility of several ties. Example: 8.25, 8.35, 8.15.

Black Belt Form – Must have 5 Officials in all form divisions. The base score will be 9.00 to 10.00. The hundredth intervals point system shall be used. Example: 9.55, 9.73. When there are 5 or more competitors in a division, the first 3 perform then they are scored to set an average score. The remaining contestants will then be scored individually.

LATE ENTRIES

(Not there or not ready when name is called.) No late entry once the division has started. No one will be allowed in - NO EXCEPTIONS. There will be no refund if you miss your division. In the case that the competitor's name is called, and he/she is not there or not ready to perform, he/she is allowed a total of 2 minutes to present himself. After 2 minutes, the competitor will be disqualified. Not ready when name is called during the 1st minute there is no penalty. After 1 minute, there will be 0.05 points deducted from the total score. After 2 minutes, any competitor in violation will be disqualified.

IN THE CASE OF A TIE

Forms (5 Officials or 3 Officials) – In color and black belt divisions in the case of a first-place tie and grand champion black belt, competitors must perform again. If they tie again, they must perform a different form. If they tie again, the judges will point to the competitor that they feel should win. Majority rules to choose the winner. In the case of a tie for 2nd place or lower, 5 officials - the high & low score shall be added in. If for any reason both scores added in is a tie, both competitors will perform again with the same form. If they tie again, the judges will point to the competitor that they feel should win. Majority rules to choose winner. 3 officials - competitor with the higher low score is the winner. Example: if competitor A's lowest score is 9.35 and competitor B's lowest score is 9.30 then competitor A is the winner.

STARTING OF FORMS OVER

Color Belt – If the competitor has to restart, officials will score the competitor as if there was not a mistake, but the scorekeeper will deduct (0.05) point from the total score.
